

Cardiology

Prof. W. Delius
Dr. H. Delius
Private Practice Munich

How to reach us

Our practice is located in Rochusstrasse in the centre of Munich. Rochusstrasse is a quiet side road linking Pacellistrasse and Prannerstrasse.

To reach us using public transport, please take the suburban train (S-Bahn) **S1-S8** or the underground (U-Bahn) **U4, U5** to **Karlsplatz/Stachus** or **Marienplatz**.

The nearest station for both the S-Bahn and the U-Bahn is Karlsplatz/Stachus, which is approximately a 5 minutes walk. The station at Marienplatz can also be reached by S-Bahn and U-Bahn and is not much further through the pedestrian zone. If travelling by car you can park at Maximiliansplatz or Promenadeplatz or in the multi-storey car parks in the vicinity (Karstadt). Patients with restricted mobility can drive directly to the entrance of the building.
